§ 2018. Approval of retail food stores and wholesale food concerns

(a) Applications; qualifications; certificate of approval; periodic reauthorization

(1) Regulations issued pursuant to this chapter shall provide for the submission of applications

for approval by retail food stores and wholesale food concerns which desire to be authorized to accept and redeem coupons under the food stamp program and for the approval of those applicants whose participation will effectuate the purposes of the food stamp program. In determining the qualifications of applicants, there shall be considered among such other factors as may be appropriate, the following: (A) the nature and extent of the food business conducted by the applicant; (B) the volume of coupon business which may reasonably be expected to be conducted by the applicant food store or wholesale food concern; and (C) the business integrity and reputation of the applicant. Approval of an applicant shall be evidenced by the issuance to such applicant of a nontransferable certificate of approval. No retail food store or wholesale food concern of a type determined by the Secretary, based on factors that include size, location, and type of items sold, shall be approved to be authorized or reauthorized for participation in the food stamp program unless an authorized employee of the Department of Agriculture, a designee of the Secretary, or, if practicable, an official of the State or local government designated by the Secretary has visited the store or concern for the purpose of determining whether the store or concern should be approved or reauthorized, as appropriate.

(2) The Secretary shall issue regulations providing for—

(A) the periodic reauthorization of retail food stores and wholesale food concerns; and

(B) periodic notice to participating retail food stores and wholesale food concerns of the definitions of “retail food store”, “staple foods”, “eligible foods”, and “perishable foods”.

(3) **AUTHORIZATION PERIODS.**—The Secretary shall establish specific time periods during which authorization to accept and redeem coupons, or to redeem benefits through an electronic benefit transfer system, shall be valid under the food stamp program.

(b) Effective and efficient operation of program; effect of disqualification; posting of bond

(1) No wholesale food concern may be authorized to accept and redeem coupons unless the Secretary determines that its participation is required for the effective and efficient operation of the food stamp program. No co-located wholesale-retail food concern may be authorized to accept and redeem coupons as a retail food store, unless (A) the concern does a substantial level of retail food business, or (B) the Secretary determines that failure to authorize such a food concern as a retail food store would cause hardship to food stamp households. In addition, no firm may be authorized to accept and redeem coupons as both a retail food store and as a wholesale food concern at the same time.

(2)(A) A buyer or transferee (other than a bona fide buyer or transferee) of a retail food store or wholesale food concern that has been disqualified under section 2021(a) of this title may not accept or redeem coupons until the Secretary receives full payment of any penalty imposed on such store or concern.

(B) A buyer or transferee may not, as a result of the sale or transfer of such store or concern,

be required to furnish a bond under section 2021(d) of this title.

(c) Information submitted by applicants; safeguards; disclosure to and use by State agencies

Regulations issued pursuant to this chapter shall require an applicant retail food store or wholesale food concern to submit information, which may include relevant income and sales tax filing documents, which will permit a determination to be made as to whether such applicant qualifies, or continues to qualify, for approval under the provisions of this chapter or the regulations issued pursuant to this chapter. The regulations may require retail food stores and wholesale food concerns to provide written authorization for the Secretary to verify all relevant tax filings with appropriate agencies and to obtain corroborating documentation from other sources so that the accuracy of information provided by the stores and concerns may be verified. Regulations issued pursuant to this chapter shall provide for safeguards which limit the use or disclosure of information obtained under the authority granted by this subsection to purposes directly connected with administration and enforcement of the provisions of this chapter or the regulations issued pursuant to this chapter, except that such information may be disclosed to and used by Federal law enforcement and investigative agencies and law enforcement and investigative agencies of a State government for the purposes of administering or enforcing this chapter or any other Federal or State law and the regulations issued under this chapter or such law, and State agencies that administer the special supplemental nutrition program for women, infants and children, authorized under section 17 of the Child Nutrition Act of 1966 [42 U.S.C. 1786], for purposes of administering the provisions of that Act [42 U.S.C. 1771 et seq.] and the regulations issued under that Act. Any person who publishes, divulges, discloses, or makes known in any manner or to any extent not authorized by Federal law (including a regulation) any information obtained under this subsection shall be fined not more than \$1,000 or imprisoned not more than 1 year, or both. The regulations shall establish the criteria to be used by the Secretary to determine whether the information is needed. The regulations shall not prohibit the audit and examination of such information by the Comptroller General of the United States authorized by any other provision of law.

(d) Hearing upon failure of applicant to receive approval; waiting period for new application

Any retail food store or wholesale food concern which has failed upon application to receive approval to participate in the food stamp program may obtain a hearing on such refusal as provided in section 2023 of this title. A retail food store or wholesale food concern that is denied approval to accept and redeem coupons because the store or concern does not meet criteria for approval established by the Secretary may not, for at least 6 months, submit a new application to participate in the program. The Secretary may establish a longer time period under the preceding sentence, including perma-

nent disqualification, that reflects the severity of the basis of the denial.

(e) Reporting of abuses by public

Approved retail food stores shall display a sign providing information on how persons may report abuses they have observed in the operation of the food stamp program.

(f) Limitation on participation of house-to-house trade routes

In those areas in which the Secretary, in consultation with the Inspector General of the Department of Agriculture, finds evidence that the operation of house-to-house trade routes damages the program's integrity, the Secretary shall limit the participation of house-to-house trade routes to those routes that are reasonably necessary to provide adequate access to households.
